TAPAS by the numbers

- 8 new accounts in the past month
- 80 new accounts in past 6 months
- 300 total accounts, 27 by TEI-C members
- 39 projects, with approximately 75 collections
- 8 new projects in past 6 months
- Approximately 3 projects and 30 accounts that are student/course related (in some cases a single login may serve for an entire class)
- 19 public-facing projects
- More than 700 TEI records; roughly 320 new TEI records in the past 6 months
- 188 institutions represented overall

TAPAS PROJECT

TAPAS Classroom

- Add new viewing options to support teaching with TEI

- Support upload and sharing of supporting documents

- Engage humanities teachers in using TAPAS in the classroom

- Make TAPAS more extensible

TAPASPROJECT

General development

- Ongoing improvements to underlying architecture
- Improvements to work flow
- Develop TAPAS Commons
- Make TAPAS more extensible

TAPASPROJECT

Next steps

- Developing NEH Digital Advancement proposal focusing on ODD and TEI Processing

- Exploring work flows for scholarly editing

- TEI/TAPAS user survey

TAPAS PROJECT

Participate!

- Join TAPAS Classrom discussions
- Contribute to the design process
- Test new features
- Use TAPAS in your teaching
- Add TEI data to the TAPAS Commons
