The screenshot shows the GitHub interface for the **TEIC / TEI** repository. At the top, there's a navigation bar with links for Pull requests, Issues, and Gist. Below this, the repository name **TEIC / TEI** is displayed, along with statistics: 21 Unwatch, 24 Star, and 2 Fork. The **Issues** tab is selected, showing a list of 110 open issues and 1,256 closed issues. The issues are sorted by 'is:issue is:open'. The list includes several issues related to text editing and markup, such as "deleatur or dele" instead of "delta", sentence tweaks, wording tweaks, and corrections to references and typos. Each issue entry shows a checkbox, a green circle with an exclamation mark, the issue title, the issue number, and the time it was opened.

Issues:

- ☐ **"deleatur or dele" instead of "delta"**
